## Inspire the change you want to see for rural communities

Fellow Rory Weal (left) explored ways of tackling homelessness in rural communities

Have you ever wanted to make change happen in an issue you care passionately about? Explore new solutions with the world's leading professionals? A Churchill Fellowship is a once-in-a-lifetime opportunity to lead the change you want to see.

We will fund you to spend up to two months learning from the innovators in your field anywhere in the world, in person or online. Then we will help you to share your ideas and inspire change across the UK.

In September 2022 we will open for applications for Fellowships in our theme **Rural communities**. We will be seeking applications that explore multidisciplinary approaches for strengthening rural life in all its aspects. These might aim, for example, to invigorate transport networks, reimagine housing, employment and enterprise, or improve access to education, culture and healthcare.
