

March 2022

Dear Churchill Fellow,

I hope you have all had an enjoyable and successful research period – I am certain each of you has exciting developments and innovative solutions to now share in the UK.

I wanted to take this opportunity to remind you about the RSA's partnership with the Churchill Fellowship. Through this, we offer all Churchill Fellows a fast-track application for RSA Fellowship and waiving the registration fee of £75. This leaves an annual contribution of £182 which can be made monthly or quarterly. A monthly cost is just £15.17, or 50p per day.

Join today and commit to impact!

Our ambition is to unite people and ideas to resolve the challenges of our time. These ambitions will only be fulfilled through collective action. By joining the RSA Fellowship, you are becoming part of a global community which shares this ambition and is committed to social impact.

Fellows are at the heart of RSA. You can engage with Fellowship through:

- **People** – By connecting, conversing, and collaborating with others in our global community of changemakers. Engage with Fellows in your field of work to bring to life the next steps of your research.
- **Ideas** - By sharing insights, perspectives and practices which advance our collective understanding and impact. Share your project at a Friday conversation event, join a local event or network to meet others or publish a blog on your work.
- **Programmes** – By engaging and partnering with the pioneering research and design work undertaken through our core programmes. Receive our quarterly journal to learn from other thought leaders, discover more about our key areas of work and support our community of Fellows to continue to drive change.

Some of you are already Fellows of the RSA, and I hope you will continue to take your journey with us further, do let us know if there is anything we can do to support your Fellowship with us.

For those who aren't yet a Fellow, if you are passionate about solving the challenges of our time, we invite you to join our unique global community of over 30,000 fellows to make this a reality. To join, please email Kirby.Fullerton@rsa.org.uk and I will be delighted to help you get set up and answer any questions you may have

I look forward to welcoming you soon and thank you for your ongoing support.

Kirby
